

THE

FAIR EARTH FOUNDATION

OUR FAMILY

The Fair Earth Foundation **'Family'** is a group of **charitable foundations** (registered with the UK Charities Commission) and **Not for Profit companies** (registered with UK Companies House) with a shared vision of how the world should be.

OUR MISSION

We believe that everyone has a responsibility, as a **Global Citizen**, to do their bit for the planet. We are here to **inspire, empower** and **facilitate** your journey to bring about the change the world so desperately needs! We are a **volunteer** driven programme that is committed to making all of our projects **accessible** and **inclusive** to people from all walks of life. Our programmes aim to **level the playing field**, supporting **disadvantaged** youth and opening their eyes to the wonders of the world by **reconnecting** them with nature. Together we can make a real difference!

"We can't do **everything**, but we can all do **something**, and if we all do something, then **everything gets done!**"
